Dear Club,

I got married a couple of years ago, and with that I thought I would leave my wild days behind me. However, almost the opposite has happened. I now find it even more difficult to stay faithful than ever to my husband, and particularly when other people's husbands are around. There's something about having sex with someone when you know that it's totally illicit, that turns me on more than anything. I love to play the role of the mistress who will do all the things that their wife won't.

Picking up married guys in bars isn't difficult at all. The last guy was a couple of weeks ago, and he'd only been married for a matter of months. He was still in the honeymoon period, so the challenge of getting him to fuck me was irresistible and made me hornier than ever.

Once I'd enticed him back to my flat, I made him sit in a chair and watch me as I unpeeled my clothes. Undoing my blouse, I could see the nerves in his eyes and I knew he was thinking about his wife. I pulled my skirt up over my thighs and stepped closer to him. Running one finger down into my panties I hooked it seductively into my pussy. "Does your wife do this for you?" I asked him. He didn't reply, but I heard his breathing shortening as my other hand reached down the back of my knickers.

Turning to the side, I showed him that I had a finger in my arse as well as one in my cunt. Removing my clothes slowly, I then dropped to my knees and raised my two holes up in the air, giving him an amazing view. I said, "I bet you want to wank off to this, don't you?" and slipped a finger back in my fanny. I was holding my arse open with two fingers of my other hand while my middle finger stroked at my bumhole.

Craning my neck around and licking my lips like a total tease, I could see a blur of motion as he tossed himself off furiously. "Does your wife let you fuck her on all fours, like a dog?" I purred. Again, he didn't answer, but his free hand was now stroking my bum, which I eagerly edged towards him. "Does she take it in her bum, like me?" I taunted, and in a flash he was on his knees behind me dragging his shaft in the crack of my arse.

"I think I want it in my pussy, tonight," I commanded, now in total control of the situation. He obliged immediately, edging his fat end up me, slowly at first and then in and out as fast as he could. He spread my arse

TEEN WOLF!

Dear Club,

Teenage Licks? Yeah, I can get with that. I was a fan of your *Teens Untamed* spin off, which didn't seem to last for too long, so glad to see a few more 18 and 19 year-olds in *Club*. But does this replace Reader's Girlfriends? I hope not, that's one of my favourite bits of *Club*. In fact, one of my old birds was in it in the 90's, not that we're together now. Still, I'll always have those pics to go back to!

Len, Matlock

No, it doesn't replace Reader's Girlfriend – that's become a bit of an occasional thing now, for when we've got the right kind of girl, and the same goes for Teenage Licks. As for Teens Untamed, we were sad to see that go, but the world is a difficult place to launch new magazines in these days. And as for your ex – feel free to drop us a line and let us know what her name was. Or if you've got some stronger pictures that we can't publish but would love to see...

GOOD JOB, CLUB!

Dear Club,

All of *Club's* Volume 42 issues have been brilliant and I mean that genuinely from the bottom of my heart. Being a reader of *Club* since January has given me a fantastic collection and I've never missed out on an issue. Corrrr, Volume 42 is terrific, fabulous, no complaints whatsoever. Beautiful girls and the lingerie shoots are my favourite. I love nylon, lingerie, high heels etc. Many, many wonderful lingerie shoots this year and I thank you for that.
Graham, Redruth

Cheers, Graham. We're sorry we couldn't print your letter in full – space and all that! – but we've passed on your appreciation to everyone involved here, and you have ours for your continued support too. Get yourself over to page 43 and let us know who your girl of the year is as well!

with the flat of his hands, as he shagged me hard. "You want to spray in my arsehole don't you? That's what you want to do to your wife, isn't it?" I kept asking him, as he grunted and moaned, driving it in harder each time.

Feeling really kinky by now, I demanded, "Imagine it's her you're fucking hard like this and cum all over her." He didn't need telling twice, and he just managed to get his prick out of me in time for the first jet of jizz to splash against my pussy. His dick was then soon between my bum cheeks, delivering ravines of spunk in my crack and over my lower back.

Drenched in his cream, I turned round and asked coyly, "How was that?" This time he smiled and replied, "Fucking amazing." "Well then?" I posed to him. He reached for his mobile, called his wife and said he was going for a meal with the lads. He's now been 'out with the lads' quite a lot since then!

CANDICE ♣

Sweet as Candice...

Candice makes a welcome return to the pages of *Club* after a trip to Los Angeles, where these photos were shot. Where was our invite?

"Sorry, I had to go in a hurry. Holly wanted to shoot me and there was a small window of opportunity. You should have come, it was wild. I went to amazing pool parties every night with porn stars, DJ's, models, musicians, all the beautiful people. It got really wild and I did some things I didn't expect to!"

HEATHER 

Go wild in the country...

Names don't come much more countryside and bucolic than Heather. Except maybe Meadow. But unlike, say, Meadow Soprano, Heather actually lives out in the country (also, she actually exists and isn't a

TV character).

"I moved out of the city two years ago," she says. "I travel in for work, but I'm happier here. I get fresh air and the neighbours don't complain when I scream during sex as they're three kilometres away!" ♣

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

ANAL ANNIVERSARY

My three year anniversary was coming up with my boyfriend, Justin, and I asked him whether he wanted to do anything special to celebrate. "What do you mean by 'special'?" he asked, with a suggestive wink. We have a very active sex life, so I knew that doing something 'special' would have to be something pretty raunchy.

"What did you have in mind?" I asked, doing nothing to escape as he slid his hands down from my hips onto my bum.

"Well, I was thinking that you could wear that little cheerleader outfit." I nodded, knowing the one, knowing how much he loved it and the things that I could do in it. Having a girlfriend who can tumble, backflip, do the splits and handstands quickly gets a man to boiling point when he's not allowed to touch himself.

"So just the cheerleader outfit?" I asked.

"Not quite. You'd let me pull your panties down..."

"Yes, I would," I confirmed.

"And let me stick my cock..." he paused.

"Yes?"

"In your bum."

"Oh," I said, as he squeezed both of my buttocks. Justin hadn't brought up the anal thing for quite a while. I know he loves it but he's big and I'm small, which isn't a good combination when it comes to anal sex. However, I'm always willing to try and with a lot of preparation and a lot of lube, he could probably get his cock in back there for a few precious seconds... or maybe more. It had

"My little skirt had been drawn up so Justin had an uninterrupted view of my bum and arsehole"

hurt whenever I had let him stick it in my bum but this time I had lots of time to prepare – over two weeks.

I did lots of stretching exercises and I was tempted to let Justin try-out his anniversary present early on more than one occasion. The idea of doing it on a fixed date was so exciting – I was constantly horny and found myself playing with bigger and bigger toys and more and more fingers. I bought some new lubricant which was lovely and thick and slippery. It started to feel good even when I pressed my biggest vibrator inside my bum and eventually all of it was sliding in and out. If all that could fit inside my bum, then there was a good chance that Justin's cock would

also fit.

I masturbated a lot – even for me – and a lot of that masturbation involved sticking my biggest toys right up my bum. It gave me a very intense sexual rush to penetrate my arse and the explosion of feelings as I climaxed was like nothing I'd ever experienced before.

The day of our anniversary arrived – a Saturday – and I couldn't wait until after our evening date: when Justin woke up in the morning, it was to find me in my cheerleaders' outfit, complete with pompoms at the bottom of the bed. I did a few moves as Justin came fully awake. His eyes were drawn to my legs, or more accurately, what was between my legs. He loves those big white knickers under

After an extended session of cock pleasing, I still hadn't let him cum and we both knew the reason why. I slipped off the bed and made a show of removing my knickers. My freshly-shaved pussy was on full display but we both knew

what the main attraction was – there was something different on the menu and there was no point trying to hide what was going to happen. I stood with my back to Justin as he lay on the bed and ran my hands down both legs, until they were gripping my ankles. My little skirt had been drawn up my back, so that Justin had an uninterrupted view of my bum and quite possibly my arsehole.

If he hadn't seen it on that first occasion, there was no missing it as I arched my back and used my hands to spread my bum cheeks. He was looking at my arsehole and I was showing it. I was so turned on that I couldn't help doing what I did next. I slid my hand down my back and slipped a single finger deep inside my bum. Justin gave me a wolf-whistle of approval. "That's nothing," I said, and grabbed the new bottle of lubricant and squirted some into my anal cleft. It was so slippery back there and two fingers disappeared into my bum with no effort whatsoever. This time Justin was quiet – he

was watching. "Hey!" I exclaimed, looking back. "Get your hands off that – that cock is mine!" Justin guiltily placed his hands back behind his head, using the muscles in his groin to make his cock switch back and forth a few times. I laughed. "OK, OK. It's time to give it a go." I squirted more lubricant on Justin's cock and used both hands to swirl it around, completely covering his eager flesh. It was so hot and hard in my hands – desperate to get inside my bum. I mounted Justin as he lay on the bed and shuffled into place, using my hand to guide the slippery fat head of Justin's cock right against my anus. Just the touch of his cock there, on that forbidden entrance, sent a shudder of delight and expectation through me. I wanted it inside my bottom.

I sat down firmly, applying more and more pressure to the interface of cock and anus. There was resistance but my ass was now accustomed to things pressing into it and there was never a question as to whether it would go in. I did it slowly, enjoying the guilty pleasure of taking my boyfriend's cock into my bum. It was very intense and the sensations were enhanced as I used my free hand to rub my pussy. Justin gripped my hips, supporting me as I lowered myself onto his cock, impaling myself deeper and deeper.

It felt like it was mostly inside me and I used

the short red skirt – the way they flash draws his eyes to my pussy, no matter where he tries to look. And when Justin looks at my pussy, he gets horny.

There was a tell-tale lump in the sheets and I knew that my man was hard for me. I dropped the pompoms and made my way onto the bed. Sitting astride his legs, I pulled the sheet down to fully expose Justin's erection. It was as huge as ever and my pussy tingled as I took it in my hand and stroked it. Justin groaned happily as I stroked his cock, tugging his foreskin up and down. I smiled and lowered my mouth down to it, allowing my breath to play over it before kissing the very tip. I could taste the saltiness of his precum and it made me want him even more. I licked and sucked it all over, using my hand to guide it into my mouth. Justin lay there and let me play with and worship his tool. He made a big show of letting me take charge by placing his hands behind his head and closing his eyes, giving himself to me entirely.

my thighs to gently rise and fall. I groaned as I fucked my boyfriend's cock with my arse properly for the first time. My fingers rubbed faster and harder. "I'm going to cum," I whispered. "I'm going to cum with your cock buried in my bum." Justin groaned and his hips curled up against my body. I had thought that I'd taken him all the way inside me – I'd been wrong. My ass stretched as Justin pushed his cock right up inside me as I had demanded. Every sensation intensified and my orgasm fired from somewhere deep inside. My body jerked as my fingers buzzed over my clitoris; it was hot and desperate and wicked – the first orgasm I'd ever had with a cock buried in my bum. The intensity of it left me gasping for air and feeling very, very sexy.

Justin started rocking his hips back and forth and I was ready to take him. "Just do it, just fuck my sexy cheerleader bum," I gasped. That was all the encouragement Justin needed and my eyes went wide as he thrust up into my arse. I thought I had been ready with all my anal training – it was enough, just: although each thrust felt like it was piercing my insides – it never hurt. Justin felt so big back there but I was able to take it, and not just take it – the sensation of being

properly fucked with an empty pussy was wonderful. For the first time, I could take everything Justin gave me and he was able to actually use my bottom.

"Oh fuck!" Justin groaned as he watched his cock jab up into my bum faster and faster. I knew he was close and that his cock was about to pump me full of hot cum. I felt his cock swell and he grabbed my hips and pulled me down onto his cock. He held me in place and I squealed with delight as he finally pumped my bum full of spunk. It was so, so naughty and a wonderful way to start our anniversary celebrations. In fact it was so good that I gave a repeat performance later in the day.

GLOBE THEATRE

All the world's a stage, and sometimes famous ladies get their norks out on it...

Great Scot! If there's one thing we tend not to associate with former *Doctor Who* assistants, it's getting your kit off. We're still waiting to see Billie's Piper and Freema's Agyemans! But Amy Pond didn't make us wait long in her post-*Doctor Who* career, displaying her lovely long limbs and perky bum in *Not Another Happy Ending*, a film literally only worth seeing for this bit alone. We look forward to seeing more of the gorgeous Gillan's stuff on screen, but would also like to know if she's bigger on the inside...

Either Raven has lost her Ladyshave, or she's taking the Bobbi Starr approach to pubic hair.

"That's exactly what I'm doing," giggles the 24-year-old Cali sweetheart. "Watching Bobbi Starr become one of the leading adult stars and not shave is inspiring. It's part of what makes her stand out. Well, that and those incredible deep throat blowjobs!"

Speaking of which...

DOWN THE WIRE

BACKSIDE BULLETS!

Though a shopping trip can end up burning a hole in your back pocket, there is no need to take the saying too literally. Late on a recent Thursday, a man shopping in Brighton, Michigan, went to pay for his items at Home Depot. On reaching for his wallet he accidentally grabbed his gun and the 40-caliber Glock fired, resulting in a

terrific pain in the arse. The 32-year-old, who has not been named, was taken to hospital and treated for minor injuries to the derrière.

BANK OF BANE!

Looks like Denver has got its very own take on a Gotham nemesis. Dubbed the "o2 Bandit", a black man between 50 and 60 years old, of medium build, is believed to have held up three banks in the last month whilst hooked up to an oxygen canister. According to reports, the M.O of the medically masked suspect is always the same: he enters the bank, hands the cashier a note and toddles out with the cash and oxygen tank in tow. Makes a change from a balaclava, we suppose.

GUILLOTINE!

Ever tried jousting with a dildo? Neither have we, but clearly these two feel a fight is not a fight without a sex toy skirmish. Lakenya Bristol accused her ex-girlfriend, Regina Watts, of decapitating her favourite toys. Bristol was arrested in mid-November for domestic violence, shortly after Watts packed Bristol's possessions and told her to leave. Later, when going through her belongings, Bristol reported that the heads had been cut off her three dildoes. Indian River Investigators are halting their probe due to lack of evidence.

BANANA MAN!

28-year-old Damu Guptu boarded a train from Mumbai to Gondia on the 22nd of December and, during his trip, snatched a gold chain from a fellow passenger. The victim cried out for help, prompting several passengers

to chase Guptu, who was quickly detained. Guptu denied theft of the chain but he had been witnessed swallowing the item, which was later discovered by ultrasound. Rather than waiting for the chain to naturally pass, the authorities reportedly fed him 96 bananas to hurry the process up. Later recovering the item from Guptu's stool. Ugh. ♠

Tristan may be a mere 19 but – and let's be frank about it – she knows her way around a dick. Her words, not ours.

"I've been told I give a good handjob," she shares, "and I've put a lot of practice in! I've got a swirly thing I do with both hands, and I pull down gently on the balls when a guy cums – that drives him mad. I'm working on my blowjobs though. I can't deepthroat yet, as I've got a bit of a sensitive trigger. But I'm getting better, I can do four inches now, last month it was three. I just need a patient guy to work with to get deeper."

SWAPPY SECONDS!

I always go out on the pull with my flatmate and we love getting a couple of girls back to our place, getting our wicked way and then sharing stories in the morning. We normally have a policy of strictly one-night stands, however for the two girls we brought back a couple of weeks ago, we've had to make an exception. The next day, we discovered that both of us had taken each girl anally and they had both swallowed! However, the next time was even better.

After a few preliminary drinks down our local, we were back at our flat by nine o'clock, with both of us gagging for it. Sally, who I fucked the first time, however, was all over Tim and it seemed like Melanie, the other girl, didn't mind. In fact, she was almost encouraging it, giggling with Sally over the slightest thing. Melanie was all over him also, and when he tried to take her off to his room, Sally took hold of his face in both hands and kissed him full on the lips. Meanwhile, Melanie was behind him undoing his flies!

I couldn't believe what I was seeing, and when Sally knelt on the floor in front of Tim, he gave me a huge grin, his eyes wild with excitement. Melanie had now come around in front of Tim and was pulling Sally's hair back from her face. When she had it all in her hands, Sally dipped her head over Tim's dick, taking the full length immediately. Melanie was urging her to, "Suck his cock, Sal," and instructing her how to lick it and when to take his balls in her mouth. Melanie then glanced in my direction and could see I was looking concerned at being left out. "Don't worry, it'll be your turn soon," she said, which made my prick ache and throb with anticipation.

I didn't have to wait long, as Tim was so excited he shot his wad in minutes, with Sally dutifully taking it down her throat, just as she had done with mine a week earlier. Melanie was pulling off her jeans and knickers. I'd never seen girls act like this before!

Melanie lay on the floor and smoothed her thighs open, waiting to be fucked. I barely got my trousers to my knees before I was up inside her, holding her arms down over her head and banging away at her pussy. Just like Melanie did before, Sally was urging me

to, "Fuck her harder," and was lying next to her, stroking her hair and smiling as Melanie's eyes began to glaze over. Gripping me with her legs, she began to climax, letting out heavy groans as my shaft became slick with her juices.

I wanted both girls, and taking my still rigid dick from Melanie, I manoeuvred Sally on to her knees and took her lovely round bum into my hands. I then teased her pussy lips with the tip of my cock, before pushing deep inside her. I dragged nearly the full length back out before driving back inside her, and repeating it over and over again as she squealed with delight. Melanie, who was barely recovered from her first orgasm, soon had Tim's meat sliding inside her, and let out a low moan of, "Oh, fucking yes Tim," as he drilled her.

Seeing these girls behave like total sluts became too much for me and, taking my shaft from Sally's sweet hole, I gripped the base of my dick, causing my spunk to jet against both her holes. Tim was filling Melanie with his second load, and as she took it she looked at me, pushed her tits together and ran her tongue over her lips.

Sally turned around to lick me clean, and Melanie continued to tweak at her nipples and play with her clit for me, while Tim kept his prick inside her.

Now we've found these two girls, we no longer get to share our dirty stories of conquest the next morning. However, with all this action, I think I can live with it!

Marcus, Stockton-on-Tees

CUNT OF HOUSE!

From the day I started my new job as a

“ **I then teased her pussy lips with the tip of my cock, before pushing deep inside her”**

waitress, I noticed the running joke in the restaurant about our female manager and her active sex life with other women. Some of the girls then told me that they're sure I'd been hired because of my 'cute arse', and that she'd never 'had a redhead' before. Whilst this made me feel a little put out, I found myself wondering whether it was true, and surprisingly the thought of it didn't make me uncomfortable at all.

About a week into my job, I'd been told that in order to work 'front of house' some shifts I would have to be till trained, and this would mean staying behind to learn. I was surprised to find that Liz, our manager, was training me herself, and that it would take place in her office. I was a little nervous, but was immediately greeted by Liz who showed me to a seat in front of an automated till. As she leaned over explaining the functions of each button, she was very professional and I was scorning myself mentally for listening to the other girls. However, I then got a real shock.

"Look, I'll be honest with you Annie," she began, "I find you very attractive, but if you're not interested, I certainly won't pursue it anymore." It was so matter-of-fact, that it was by far the politest come-on

I'd ever experienced, and I didn't reply at first. "I'm sorry if I've made you uncomfortable," she apologised. I turned around in the chair, and on seeing her staring deep into my eyes; I felt butterflies in the pit of my stomach. I'm not sure where it came from, but I half-closed my eyes, leaned forward and offered my open mouth for her to kiss.

Her response was immediate, and she treated me to the most sensual kiss I've ever experienced. She then pulled away, looked at me longingly, before dropping to her knees in front of my chair. As she parted my thighs, I felt like I was having sex for the first time, as I'd never been with a woman. Liz's gentle touch was making my body twitch and quiver with delight. Pushing my panties to one side, she foraged for my clit with the tip of her tongue, and began to work it slowly at first. I wrapped my thighs around her face as her mouth enveloped my mound, her tongue deep in my cunt. Returning to my clit, she flashed her tongue against it so quickly that I had to hold on to her hair, as I was shaking with pleasure on the chair. I was riding her face, and she didn't pause once, working herself into frenzy against my pussy. Sensing I was on the brink of orgasm, she immediately lifted her head away.

"Do you want to be fucked?" she brazenly

offered. Still panting, with my twat aching for her, I nodded, almost begging. I had never seen a strap-on, apart from in magazines, and watching her take off her skirt and buckle herself into it over her tights was horny as hell. Undoing her blouse, she approached me, stroking the rigid shaft. She was certainly in control and pulled me up, turned me round and bent me over in one swift movement. My hands were on the chair, and taking hold of my hips she began to work the plastic cock inside me. I could feel her manicured hands digging into my arse whilst she pumped my sodden pussy.

I was squealing with delight as she continued fucking me. I had to get at my own clit, and played with it whilst she urged me to cum. In seconds, I was covering the strap-on with my juices. With the final shudder of my body, she withdrew the strap-on from inside me. She stood beside me, the strap-on protruding, and her chest covered in sweat. I felt like a total whore, and couldn't quite take in the experience I'd just had. However, I also couldn't wait to get that strap-on around me! *Annie, Gateshead*

“ I could feel her hands digging into my arse whilst she pumped my sodden pussy ”

POINT OF SMOO!

Hi, I'm Katy, and I've been expecting you. Hope you don't mind that I've started without you. You see, I was getting all randy sitting

around waiting for you, so I slipped my hand inside my thong and gave my clit a bit of a frig. And then I had to do it a teeny bit more, and before you know it – well, let's just say that I'm primed and ready for you, lover.

Right – now you know what a dirty cow I am, I think I should tell you that I've got plans for you. That's why I was waiting – and now that you're here, I can see that you're not going to disappoint me. All I need to know is: does the thought of getting down and dirty with me get you nice and hard? Ohh, I can see it does. That's a result, because that means you're going to get to fuck me!

I can feel that tight hole between my legs juicing up nicely already. It'll be so nice to feel the girth of your dick stretching my cunt, and to feel its length

inside me, the tip tickling my G-spot on each powerful thrust... oops, I'm getting a bit carried away with myself – that's for later. For now, how about I get naked for you – would that be alright?

Just give me a second to get this dress off... there. How'd you like my tits? Hope you like them pert and firm like mine. Now, why don't you make my nipples nice and hard? Go on, feel how firm my tits are. Mmm, it feels good when your hand brushes my nipple. Oh! That's it.

The feel of your tongue would be even better, though, so go on; suck my nipple. Oh, you want to see what my pussy looks like, as well? Greedy sod! I bet that's not all you want with my pussy, is it? Well, go on then, you can peel my thong off – that's it. Now, what d'you reckon to this little 'landing strip' of pubic hair? I shave my minge that way so the whole works are on show.

Well, now I'm completely starkers, how about you? It hardly seems fair; you there fully clothed. And anyway, I'll need access to at least one piece of naked flesh or this isn't going to go as I'd planned it. Let me give you a hand with those trousers. Button – now the zip – now let's see what's in these pants... ohh, am I going to have a good time with this! Kick 'em off, so I can get completely free access. Now that I can see your erect cock I've got to have a taste. I just can't resist!

Mmm, do you like it when I swirl my tongue around the head of your cock like this? You do, huh? How about when I just catch its rim with my teeth like this? I reckon you do,

judging by that salty taste of pre-cum in my mouth.

That's made my mind up. Before we do anything else (and we will!), I'm going to suck you off. I do apologise for the delay! First I'll lick your cock all over – and your balls too, giving you a bloody good tongue-bath. Then I'm going to take your helmet into my mouth and French kiss it while wanking your shaft with my hand.

How's that sound? When your cock's as hard as it can get, you'll be feeling your orgasm building up in its base. That'll be when I'll switch to deep-throating you. On each stroke I'll take your cock in as far as I can, till I'm almost gagging. Then I'll slide it out, my lips caressing the saliva-slick edge of your helmet. While I do this, I'll also be gently tugging on your balls.

My sucking will build in pace, steadily at first, then frantically, until you're pumping in and out of my mouth, fucking my face hard and fast. By this point you'll feel your jizz

Oh God, that's two fingers, isn't it? Go on, push them right in to the knuckle. Push hard! God, I can feel it – fuck, I'm gonna cum soon. My whole cunt's twitching and my clit is fair burning up. Come on, ram those fingers into me hard! Your hand must be aching, but don't stop... it won't be long now. That's it – now!

Ooohh. Let me lick all my own juices off your fingers. Yum. Now, if I recall correctly, you were going to fuck me, weren't you? Well, in that case, I think we'd better get on with it, because I don't think I can wait any longer to feel your stiff dick deep inside me.

I'll get on all fours – I love it from behind. Doggie's definitely my favourite position. Woof woof! Oh yeah, I can feel the tip of your dick at my pussy lips. Ram it in – go on, stick it in me! Aaaahhh.

Okay, just rest there for a moment. Let me feel you filling me. I love the feeling in my cunt lips when they're stretched around a nice, fat cock. That's it – slooowly now, just slide in

“My sucking will build in pace until you're pumping in and out of my mouth, hard & fast”

burning its way up your shaft, to suddenly fountain inside my mouth, powerfully spurting your rich, thick spunk over my tongue and down my throat. You ready for that? Here goes, then... I know you're going to cum loads. Come on – I want to taste all that lovely spunk, feed it to me... yeahhh, here it comes – oh, mmmmmgh! Now, kiss me full on my mouth. I want to share the taste of your jizz with you – mmm. I'm sure you'll return the favour and share the taste of my cunt with me later.

Well, now you've got the taste of your own jizz in your mouth, how about spreading it to my cunt. It's feeling a little left out of the action at the moment – but fuck, is it wet! Oh yeah, the touch of your tongue just sent a thrill right through me. That first lick parted my pussy lips as you moved your tongue up and over my clit. That's it, probe it deep inside my hole – tongue-fuck me! How do I taste? How does my cunt taste? Kiss me so I can see what I taste like! Ohhh...

I love the feel of the tip of your tongue as it passes over my swollen little bud. Switch from mostly tongue-fucking to mostly clit-licking... uhhh. Ohh, my cunt feels really empty now, though – how about finger-fucking me as your tongue works over my clit?

and out nice and easy. Yeah, just like that. I like to build the pace up nice and gradual, like – that way, when I eventually climax, I cum so much harder.

Alright, you can get a little faster now – oh yeah. And harder. No need to be so gentle – my cunt won't break! Mmm, your hands are rubbing on my tits; your fingertips gently pinching my nipples, working them up to maximum hardness. You don't know how totally fucking hot that feels. Oh, bloody hell, yes – your dick's digging deep, plenty deep enough now that you're banging my G-spot. Can't remember the last time I got fucked so good! Come on, pump me faster now, harder. Use one of them hands on my clit, give it a good old frig... come on, you wonderful, horny fucking bastard, you're going make me cum so fucking good!

That's it – bang into me as hard as you fucking can! Don't hold back – don't hold anything back. And don't hold back on cumming yourself, either – I want to feel that flood of fluid in my cunt. Oh yeah, feel my cunt clamp tight around your cock as I cum... oh yes. Yesss! Now fill me with your jizz – uhhh... I felt that burst out. Fuck, what a fuck! Hope I get to fuck with you again, stud – the sooner the better!

VERONICA ♣

We'd do Vron Vron...

Our second debut of the month, and yet another California girl.

"I'm not really from Cali, but that's where the action is," Veronica reveals. "I'm actually from Brooklyn, but there isn't much of a porn or photo industry back home. Nicer people and food though."

So how are you finding California?

"I'm loving the work, I'm loving the sunshine, I'm loving that there's a party to go to every night. I'm not loving the smog or the empty-headed Cali girls. One thing is the same – there's plenty of cock for me to enjoy on both coasts!" ♣

KRISTINA ♣

Something blue...

Kristina Rose is a funny one. Born in San Diego, she claims to have Mexican, Welsh and Scottish blood. We don't know what to make of that.

However, we do know what to make of the fact that she's starred in such films as *Anal Cavity Search 7* and *Black in My Ass*. Oh yes.

"I've never met a cock I couldn't fit in my ass," she giggles. "Long or short, thick or thin, I love getting them in there. It's a wild feeling, it's like a different part of me takes over. I just focus on milking that cock with my ass muscles and it sets off intense orgasms. Maybe you'd like to give your cock a go..." ♣

CONNIE ♣

Window undressing...

Connie spends most of every day walking about in next to nothing. So it's not surprising that a couple of her neighbours have got their telescopes trained on her place. We would.

"I could report them, of course," she laughs, "but I actually find it a turn-on. I like to put a show on for them, to play with my pussy or get a dildo out. I make sure they can see. And then if I invite a girl or guy over, they can see that as well. I don't care if they're jerking off. In fact, I hope they are. If they're not, then I'm doing something wrong!"

No, Connie, you're doing everything right... ♣
